

4. "To Embody" Means To Be Aware!

Beloved Malachi, Katherine Bell P.H.D.D. and "Marrianna"

Can You Assist Me in Returning to Me Embodying All My Divine Light and Spiritual Abilities?

Beautiful One, to Embody Means to Be Aware. Be Aware is an Acknowledgement of What You are Already Doing. To Recognize that Each Day, whether it is a Day of Struggle, a Day of Content, a Day of Work or a Day of Spiritual Contemplation.

Oh it's to Make a Choice, I already Know What I Want, to Be One With Source!

Indeed

Okay Acknowledge it, is that what You are Saying?

It is and Here Your Word Was Returning, Returning Again. It is Stuck in Your Mind Letting Your Emotions Return to That Still Point. Then Knowing Yourself as a Spiritual Being Embodied, and The Embodiment is The Exploration of The Spiritual Being.

I Got it!

Thank You Malachi, that is so Wonderful!
