

## 2. Sacred Process To Activate Your Five Spiritual Chakras

**Beloved Malachi, Katherine Bell P.H.D.D and "Marrianna"**

Can You Assist Me in Activating My 5 Spiritual Chakra's, so I can Embrace, Merge, Integrate and Rebalance the Inner Changes these Dormant Chakra's Create, as I Activate and Merge With My Original Divine Blueprint and Receive Activation of My Third Eye and My Complete Mastery?

### **Sacred Process**

Okay Take a Deep Breath, as You Do So FEEL The Channel of Light Move Through You. Then The Light Interacts with Your **Chakras of Your 7th Personal Reality**. Allow Yourself to Sense the Extension of Your Own Consciousness, Rising Above the 7th Personal Chakra's to Blend Into **The Next Vibration, The 8th Chakra Center**, That is Called **The 4th Dimension**. FEEL it and The Highly Refined Energy, Sparkling Light of Multicolor and the Beautiful Sensation of Being Guided By The Guardians. This is Where Memories in Which Your Higher Consciousness Begins to Master Existing Realities, that are Within This Dimension and You Can FEEL the Hum of The Universe. The Steady Vibrant Energy Field is what You Might Call the Glue That Pulls All Life Together. It is a Place Where Your Personal Consciousness Utilizes The Divine Mind to Create in Your Realm of **The 3rd Dimension**. It is Blessed by Love and Blessed by The Movements of Your Atomic Energy Fields. So The Atomic Energy Fields are Quirks as You Call Them, already Through The Heart and Mind to Be in Union, to Develop the Outcome of The Highest Order.

FEEL That Energy, then Let Your Consciousness Rise again, Ascending the Vibrations to Meet the Next Vortex that You will Call The **9th Spiritual Chakra Connected To 4th Dimension**. When You See it, Live in the Rhythm of All Life, The Flow of Existence, the Beautiful Merging with The Heart

of The Divine, The Heart of The Holy Spirit. In Fact, FEEL The Energy of Your Own Heart Vibrating, Merging with That Rhythm. It is in that way You Can Live with Holy Spirit. Your Spiritual Alignment Activated Through Your Personal Reality.

Now Once Again Let The Mind Ascend, As You Ascend Beautiful One, into **the Next 10th Chakra The Mastery of The 5th Dimensional**

**Consciousness.** It is Here You can FEEL The Mastery Within Your Own Being.

The Capabilities to Bring Forth The Talents of Your Living in a Particular Incarnation, Above All The Great Divine Intelligence. You will Realize in this **Vibration of The 5th Dimension** where it Allows You to Radiate, Personifies The Talent, The Gift of Harmony to be Brought Forward into this Living Reality of Earth. So Within it Again is The Mastery of **The 5th**

**Dimensional Consciousness,** a Great Union with Divine Mind

Intelligence, the Great Blessing's of Having The Experience of Your Life that You will bring this Mastery Through Talents and Gifts that You Present to Humanity.

Now Let Us have You Once Again, Move to Ascending Consciousness. It will Be **Your 11th Chakra,** Merge with it Beautiful One, Merge with The Factor of Consciousness That Brings You Very **Much Into 6th Dimensional Reality as Well as Connecting You to 7th Dimensional Reality.**

What Do You Do? It is Here in These Frequencies of Consciousness that You See The Matrix of The Universe in it's True Design, its Sacred Design, The Light Frequencies That are of The Ethereal Realms and Play into You Material Realms. In Your Earth Realms it will be the Animals, Plants and Minerals, the Water and Sky. All the Vibrations You Experience on The Earth are Seen Only in Sacred Geometry. **The 11th Chakra of The 6th Dimension Within it is**

**Something More.** It is The Organic Substance, Sense of Diving Intelligence.

It is The RNA and DNA of Your Life. **This 11th Chakra is Within The 6th and 7th Dimensions That where You Can Learn and Express and Channel The Healing Vibrations** that Set a Course of Rebalancing when this Eases and has taken over The Body-Mind Consciousness, these are

Powerful Points are They Not, Beautiful One? Then that is what You Call The 5th Spiritual Chakras and We Will Call it The 12th Chakra. We must continue to advise You Here The 11th Chakra is where You Can also Find The Sacred Memory of Life that You Utilize. All of You Desire to Know What The Divine Intention is and always Has Been. It is Contained Here in The Sacred Memory of All Life.

Oh, How Wonderful!

It will be here Beautiful One that The Great Rivers of Eden Flows to The Garden of Earth Diving into The Great River of The Earth, Raising Great States of Consciousness, Great Powers That You All Carry. The Power to Be an Originator of Life, The Power to Create, the Power to Think, Comprehend, Feel and The Power to Unify Non-Matter and Matter as One.

This would Indeed Bring You to Your 12th Chakra. Within the 12th Chakra You Begin to Merge with The 8th, 9th, 10th and 11th Dimensions of Consciousness, to Merge with The Greater Intention to Cognitively Know The Universe. To Reach that Divine Intelligence State You Have No Doubt, You Have No Search, You are "THERE." in The "THERE-NESS" You are Nothing But Love Exuding, You are Nothing But Creation Creating. We Have Shared often with Humanity You are The Creation of The Creator, You are The Creator of The Creation. You will Understand that Through that Chakra. It is a Blessing, The Brightest Light, FEEL it Merge With Your Entire Body-Mind.

**Now You can Integrate that so You Bring That Vibration of The 12th Chakra and Meet it With The 11th Chakra and You Bring The Vibration of The 12th and The 11th Chakra Through The 10th, From The 10th to The 9th, so We have The 11th, 10th, 9th, Through The 8th then into The Personal Chakras. Let This Energy Flow, Let it Integrate, Let it Be Felt and Let it Manifest.**

You Have The Beautiful Messages Within You and as You Call Forth The Divine God One of the Names You have for God is YHWH, You Have Many Ways to Spell It. Within His Name is a Unified Field of Consciousness The Power of The Polarities Recognizes Oneness Divided But Good or Evil But Forces of Light and Shadow Necessary For you to See The Divine!

That is Wonderful, Thank You So Very Much Malachi.
