Beloved Malachi's Sacred Processes and Messages

6. Process To Activate All Your Light Seeds Into Manifested Realities 7-4-18

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me In Activating All The Light Seeds I Planted Deeply Within My Spirit That Can Help With My Activation Now! Those That I Have Planted on My Pathway Before I Arrived Here on Planet Earth and How Do I Recognize The Triggers Related To The Light Seeds?

The Triggers Beautiful One, Are Your Desires Remember That! The Desires That You Have Within Yourself Is That You FEEL So Strong, You Want To Do Something About It Such As Asking These Questions!

Process

It Is The Desire, Then What Do You Do With That Desire? Well Then You Sit With It Within Yourself, Once Again With Intention. You FEEL The Desire and You Will Speak To Your Own Self, For The Limited Self Living The Limited Ego Believes That You Are "Less Than!" You Are Going To Have That Essence Speak Within Yourself That What You Truly Are and You Will Say, "I AM Ready To Spark The Light From The Seed From Which I Came Forward Into Matter To Aid In The Growth and Activities and Expressions In Matter." That Means To Yourself, That All Selves Manifest Realities! Then You Will FEEL That Manifested Desire. Manifested Desires Are That For Which Heal Within Yourself and You Are Going To FEEL The Desires To Want, To Want To Be With Spirit, To Want To Be Healthy, To Want To Be Prosperous In All Manner of Living and As You FEEL Each Component of That You Put a Focus on It. Your Focus Is An Energy of Knowing, I

Know That I AM, I Know That I AM The Perfect Health, I Know That I AM The Perfect Vitality, I Know That The Human Being Is Spirit and To My Spirit I Know I AM The Multidimensional Universe! Then Sit With That For a Bit of Time To FEEL It. To Allow Yourself To Sense It, Then To Sense It As Isness In The Very Moment of Your Human Existence!

That Is Wonderful, It is Mind Boggling But It Is Great To Hear It!

Thank You Very Much, My Beloved Malachi!
