10. Process To Communicate With Your Soul 1-15-19

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Give Me a Process and an Explanation About The Soul Being The Holy Spirit, and How To Communicate With Your Soul and Ask The Soul To Lead You, So You Can Recognize and Remember That You Are The Divine Holy Spirit?

Process

Beautiful One, Let Us Be Story Tellers Today. Imagine The Beauty of the Holy Spirit As a Beautiful Vibration of Love, a Frequency Without Form, Without Form! It is an Illusion of The Formless, Beautiful Energy, it is The Stirring of The Desire. The Desire To Allow Itself Not To Be Bored Here. Here The Beauty of The Divine Says Unto itself, "I Shall Be Multiplicity", I Shall Experience The Essence of The I AM in its Multiplicity. At First Beautiful One It Begins To Create it's Light Out of its Own To Release Boredness.

Then Beautiful One, it Creates The Individual Essence That is Called The Soul, But It Is The Divine Now It Is In Its Individuality. From That Individuality It Forms What is Called The Delighted Earth Frequencies of All Existence You Know and Do Not Know. It Forms Itself As Humans and Humanoids and Experiences of Rare Frequencies From Galaxies and Planes Upon Consciousness. It Forms Itself With The Animals and Other Active Frequencies, It Is All, It Is The Very Same, The I AM!

Sounds Good To Me!

For Every Human Being Here Searching For Their Knowing of Their Divinity We Say, "FEEL The Souls Individuality, it is Constantly Impulsing You To Memory, To Remember The Vitality of Light and Life That You Are, To Be Creative Beings For That is What The Element of The I AM is Constantly Creating. Create and Be Free To Be The Expression In Its Individual Components of You . Enjoy It, The Divinity of The Light Within You. Enjoy It and Be It!"

Does That Assist You?

Yes it Does!

Thank You Very Much, My Beloved Malachi!

I AM Your Beloved "Marrianna!"
