### **Section 1**

#### **Beloved Malachi Through Katherine Bell Ph.D.D. and "Marrianna's," Sacred Processes and Messages**

#### **5. Process To Gain Mastery Of The Four Elements Fire, Air, Water and Earth, Of God Consciousness 1-15-19 Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

Can You Assist Me in Gaining Mastery of The Four Elements Fire, Air, Water and Earth of God Consciousness. Then Can You Give Me a Process To Allow The Sacred Elements of Fire To Flow Through My Heart, Air To Flow Through My Mental Body, Water To Flow Through My Emotional Body and The Sacred Earth To Flow Through My Kundalini Energy and The Root Chakra and Connect With My Soul Song?

### **Process**

**Indeed, How Does One Do That? Alright We Are Going To Invite You, For Approximately One Week, To Work With The Element of Fire. You Will Ask For That Spirit of The Fire To Be An Experience Through Your Whole Living Body, Your Holy Living Temple!**

**You Will Do What Here is Activating Fire in Your World, as You Would Light a Candle To Activate a Fire, Would You Not?**

Yes, I Would!

**Each Day You Will Activate The Fire of The Candle With Your Own Prayers. Allow The FEELINGS of Your Mind and Heart in Prayer With Divinity and Allow Yourself To FEEL The Sacred Fire!**

So, I Light a Candle To Have That Visual of The Fire!

**Indeed! Indeed!**

**Then Beautiful One, You Will Do The Action With The Element of The Water and Here You Do It For a Week. FEEL The Blessing of This Sacred Element of Divine Water, The God Consciousness of Water, and Once Again You Shall Place Before You a Bowl of Water, You Should Pay Close Attention To All The Frequencies of Water and You Have Water of Your Showers and Baths Which Activates With Water To Become Very Much in Union With You. FEEL How Your Emotional Senses Are Free and Creative Again As You Bring Forth That Consciousness and The Great God Awareness of The Sacred Element Called Water. Now FEEL It in The Emotional Body!**

**Then You Will Move The Great Power of Air and Again You Will Concentrate on It. It Is The God Consciousness Called Air. When You Breath You FEEL That Air. You FEEL It in The Vitality of Your Brain and in The Vitality of Your Spinal Colum. You Will Notice Air, You Give It Attention When You Are Outdoors. You Will FEEL its Breeze. You Will Smell its Odor You Become More and More Familiar With The Element of Air and Again You Give That Approximately a Good Week of Daily Working With it!**

**Then Again You're Going To Come To The Earth and You're Going To Bring a Bit of The Soil of The Earth and Put it Into a Bowl. Giving It Great Honor For It Is The Sacred Ground of The Holy Spirit! The Sacred Ground of The God Consciousness That Creates All Elements of Your Earth Plane! That Includes You, and You FEEL That Earthly Element In Your Root Chakra and You FEEL It Rise In That Spinal Colum. The Light of The Living God of Earth Is You!**

**Does That Help You?**

Yes, It Does and That is Where My Soul Song is Within The Earth?

**Indeed, Indeed!**

Alright I Will Do That Once a Week For a Month, I Will Do That!

**Very Good, Very Good!**

Thank You Very Much, My Beloved Malachi!  
I AM Your Beloved "Marrianna!"
