Section 1

2. Ways To Experience Perfect Health

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me with Lifting, Balancing and Harmonizing My Vibrational Patterns Back to My Divine Blueprint, so I Can Experience My Perfect Health? What am I Missing that **I AM** Not Doing?

Well Beautiful One, You Say Assist Me With the Lifting, Balancing and the Harmonizing, Can You Indeed Comprehend this? You are Moving Into That Balancing Harmonizing Reality. Think Here for a Bit of Time, that which Your Body Has Undergone is a Swinging Pendulum, the Swinging Pendulum Will Go Left and Right and Left and Right in an Extreme Manner Will it Not?

Yes, it Will.

Beautiful One, it Always Has an Intention and The Intention is to Find The Center Point. So Think of Your Pendulum, it is Not Swinging so Radically Now. It is Beginning to Swing Less and Less from Right to Left, it is Beginning to Discover what You Call The Perfect Balance, The Perfect Harmonizing Point and Nothing is Wrong with it.

Patience, Patience, Patience Right?

Indeed, so You Know Even That has a Sacred Intention. What Appears to Be an Imbalance is a Sacred Intention, Part of it is to Clear and Release and Part of it is to Prepare The Place of Renewal.

It is All so Perfect, but I Do Not See it, Yet just Hearing That From You, is Music to My Ears, so I Can Let Go and Let God and I Can Get Out of My Way!

Very Good, Very Good!

I Thank You Very, Very Much! I want to Start a Walking Process to Hopefully Get My Knees and My Back Working Again. Would that Help Everything!

Indeed, it Will Beautiful One.

Okay, then I Will Do That, Thank You Very Much Beloved Malachi!
