

## **Part 2- New Earth**

### **Section 1**

#### **3. Process of Sacred Divine Guidance to Experiencing Your Oneness**

**Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

Can You Assist Me in Gaining Entrance Into The Golden Sun Chamber of My Sacred Heart and Communication With My God Parents?

#### **Process**

**Alright Beautiful One, We are going to ask You to Take a Deep Breath, as You Breath Let Yourself FEEL The Energies of What You Call SPIRIT LOVE to Pass Through You to Below The Earth.**

**Then Allow This Energy to Unify Right in The Center of Your Body, You Call Your Heart. Now Breath In and Out of Your Heart, as You Do Allow Yourself Visualization. Then in The Heart, Visualize The Grand Doorway That is Golden Light of Rays of Consciousness.**

**Let Yourself FEEL The Doorway Opening to What is termed Your Sacred Heart Vibrations. As You Enter that Vibration Allow Your Mind and Your Emotions to FEEL Your Sensations as You are Entering that Higher Vibration. The Golden Sun, The Golden Heart and The Golden Vibration of What You May Call The Parentage of Whom You Are, The Parents of Your Soul, THE HOLY FATHER AND THE HOLY MOTHER!**

**We are going to Become Silent While You Allow Yourself to FEEL Their Presence..... Allow Your Visualization to See You in Their Presence. FEEL That Beautiful, Beautifulness of Harmony, That Beautifulness of Your Heart and The Beautifulness of The Golden Rays!**

**FEEL, Yourself Connected in This Light, There are No Longer Three of You, You Have Become Oneness With Your Beloved Holy Father and Your Beloved Holy Mother!**

**I FEEL It, I See It, I AM It!**

**Indeed, Indeed!**

**It is Heavenly, it is Truly Heaven and it is Penetrating Every Cell of My Beingness With Theirs. I guess I should Not Have Called It Cells, but I Do Not Know How Else to Describe it. It is Just Oneness!**

**It is Just Oneness! Now Beautiful One, after Experiencing The Totality of Your Oneness, at times You Will FEEL That You are Not Your Oneness. Then You Return to This Quality!**

**Oh, it Was Heaven That I Experienced! The Double Doors of Golden Light Just Opened and I Walked in. It was Like I was on a Cloud and I Just Floated in and I Just Merged Into Their Open Arms and We Created Our Oneness! It was Beautiful and I Thank You Beyond Words! I Will Repeat This Process Until There is No Question About My Oneness For I Will Be Walking My Oneness!**

**Indeed!**

**Thank You Beloved Malachi.**

- **How to Encode The Creator Light**

How Do I Encode The Creator Light With My Essence, as a Co-Creator so I can Radiate it Out Into The World of Form?

**Beautiful One, it Has Always Been Encoded, It is The Whole Essence of Who You Are, Not What it Takes to Be The Co-Creator, But to Choose it. To Choose to Know, You Already Have This Power Within You!**

Oh, I do! I Thank You, I Knew I was The Co-Creator but I Thought I Needed to Do Something and I Guess it was The Doorways I Just Went Through.

**Indeed, Indeed!**

You are Definitely a Miracle Worker for Me Thank You Beloved Malachi!

## • **How To Activate The Creator's Living Light**

When I Access The Living Light can You Please Assist Me in Activating It with My Loving Intention and Program It with My Desires of My Soul? I Do Not Know How to Activate It.

**Well, You Have Just Activated It!.....(Laughter)!!!**

**Beautiful One, Unto Yourself Give This Reality, a New Positive, a New Way of Consciousness and What Can You Do to Help Maintain it? It is to Maintain Your Happiness and Your Joyfulness. Be The Joy of Your Heart, Live That Joy of The Illuminated Reality!**

It is a Whole New Beginning for Me!

**Indeed, Very Good, Very Good!**

**I AM** Eager, that is My Intent, it is Like Open Doorways from what I Have Just Been Through for Four Months. It is Like **I AM** Coming Home and I Thank You for That, I Do Not Have the Words to Express It, other than Thank You! Thank You! Thank You!

**Very Good, Very Good.**

Thank You Very Much Beloved Malachi!
