

Part 2- New Earth

Section 1

1. Nuclear War

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Will the Nuclear War from North Korea be Stopped? So We Do Not Nuke Ourselves?

Here again Beautiful One, in the Vibrations of The Holy Spirit is that Maintenance of Protection that is Indeed Reaching Into the Unconsciousness of This Man of Your North Korea and Other Leaders of Your World. Now here You Must Remember the Vibration of Your Man in North Korea that is Very Much Centered in Lower Ego and Can Be Reactive to Such a Point to Create Great Destructions.

Now Beautiful One, Quite Recently He was to Create a Bombing that would Hit what You call Your Americas and in The Glory of The Holy Spirit it Did Stop the Vibration. Now Will He Hold to it? We Find Him Continuously Bouncing, He Does Indeed Have a Desire to Fire to Show His Power and to Do Great Harm. We Say Unto All of You, Continue to Call on The Holy Spirit for The Guidance of The Light that Can Bring This One Into Greater Awareness to Harm None.

Thank You Very Much Beloved Malachi!_
