13. Wisdom About Your Stellar Gateway Chakra and Your Soul-Star Chakra

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

What is My Stellar Gateway Chakra Number? I Know My Chakras but I have Never Hear of a Stellar Gateway Chakra, so what Number is it and where do I Focus to Connect With it?

Well Beautiful One, Here You Will Focus on Your Chakra Number Eight.

Okay, so is My Soul-Star Chakra and My Soul Chakra the Same, is It Number Two?

No it is Not Beautiful One!

Indeed, They are and They are Not. You See Your Soul Chakra There in The Second Chakra Speaks The Same Vibrations that Allows Impulses to Emerge as One, You Indeed Begin to Emerge in Their Soul Awareness as The Vibration Moves to The Heart, to The Heart Chakra Number Four. Then Beautiful One, it Moves to what is called The Movement of Intentions, Lessons, Higher Consciousness and You Have Activated Your Beautiful Soul-Star in The Eighth Chakra.

Thank You, I will be working on My Chakras and that Will Help Me a Lot.
Thank You Very Much Beloved Malachi.
