

## **Part 2- New Earth**

### **Section 1**

#### **17. How Do I Increase My Energetic Signature**

**Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

How Can I Increase My Energetic Signature Gradually, so it is More Harmonious and it Becomes a Part of My Permanent Soul Song for My Soul Advancement? How can I Do That?

**Your Soul Knows Exactly How to Do That, it is Done Systematically. It Will Respond to The Personal Cognitive State You are in, or The Cognitive Emotional State You are in, The Human State You are in. It Will Indeed Say Today is Not a Good Day to Increase, Because of All These Parts are Trying to Take Over. Always Be Very Receptive!**

Alright That Sounds Good to Me. Thank You Very Much Beloved Malachi.\_
