### **Section 1**

#### **18. Best Way to Send Sacred Healing Light to Others**

**Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

Are there Limits to How Far Away I can Send Sacred Healing Light and Can I Send Sacred Healing Light to Hospitals, the War Front or Governments and Family and Friends? What is the Best Way to Do That?

**To Know First, Energy is Unlimited, in its Flow of Time and Space it is Unlimited. The Moment You Come Into Your Heart, Your Sacred Intentions of Healing, then FEEL it Merge With What We Will Call The Ocean of Consciousness, Waves here in The Collective Field of Humanity. As You Desire to Pinpoint It, It is Going to This Part of Your Country or This Part of Your World. You are Indeed Giving a Command to Where It is Supposed to Be and It Will Be.**

Okay, That is Wonderful, so that Would Be Even More Impactful if I Had Someone to Do That With Me, because When Two or More are Joined it is More Impactful, Correct?

**Indeed, That is Correct.**

Thank You Very Much Beloved Malachi.\_
