9. Global First Contact Reset For Planet Earth

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

What can You Tell Me About **The Global First Contact Reset For Planet Earth?** Will it Be Soon and What Will that Look Like?

Well Beautiful One, It is Occurring.

I was Afraid of that, Something is going on.

Indeed, and so here You Will again Make Note of this, This Great Stirring Has Been Occurring for You and for Many of Your Years. It has Been Called to Come Here at the End of The Mayan Calendar or Cycles for what You Have Always Know Before. That as a Collective Field You Hold on to Memories and You Want to Hold Onto Them. So You Attempt to Hold The Universe Back.

The Universe Itself, The Great I AM is on a Mission. This Mission is Fast Forming the Consciousness to Realize The True Sacred Power All of You Have Within You. To Clarify, Clear Out, Move From The Old Beliefs, The Old Creative Powers that You All Carried, All Utilized, You are Indeed Beautiful Causal and Affective Beings. Know That Here The Great I AM is Changing Itself. Therefore, The Great I Am Changes Universes, Changes Galaxies, Changes The Earth, Changes The Peoples, The Animals, The Plants, The Minerals, The Conscious State and It is Wobbling You. Earth Personalities are Wobbled By It. Yes, Both in Your Physical Realities in The Third Dimension and in Your Mental and Emotional Realities. So Give Glory Unto This and You Acknowledge The Great Changes That are Occurring. The Great Reset is Occurring and We Say to All of You, Do Not Fight It, Join The Force of It, Be in The Loving Nurturing Nature. Be in The Great Power to Say "I Do Let Go, I Do Let Go, I Let Go of Expectations of Anything and

Grow Into, Evolve Into The Light, Peace and Harmony. So All of Can Know Your Pure Essence and Realize The Dynamic Creators That You Are."

Thank You Beloved Malachi!

- **Ways to Assist Humanity**

Can You share with Me Any Ways to Assist Me and Humanity in Our Spiritual Development and Evolution that Would Help Us Through **The New Global Contact Reset** Into a New Positive Planetary System of Higher Sacred Wisdom and Knowledge?

We Say Be Positive and Recognize Something Else, Every Individual is Responsible, Responsible to Make Your Own Internal Changes, Responsible to Live in The Light, Everyone of You.

Keep Your Eyes on Your Own Plate First, is That Right?

Indeed, Indeed We Say Again and Repeat **YOU ARE THE DIVINE**, so You Will Say To Yourselves **"If I AM The Divine, Then I AM The Creator, If I AM The Creator and I Wish to Create a Change in That Which I See on The Planet Earth, I Must Create a Change in Me and Then I Will Radiate it, to Help Others See The Power of The Change Within Them."**

Oh, what a joy, that put a Chill Throughout My Whole Body when you Said That, Thank You So Much For That Beloved Malachi.
