Section 1

6. Process To Prepare Your Aura to Be Able to Be Transformed Through The Dimensional Intersection and Connect With The Power of Bio-Location

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Experiencing the Highest Pulsing of My Aura in Preparation for Being Transformed Through The Intersection. Where My Aura Will Begin to Vibrate at an Extremely High Speed, My Frequency Will Rise and Respond Systematically to The Higher Light that Comes in, as that Frequency Shift Occurs, All The Powers of Bio-Location Will Increase to My Highest Potential and Beyond. Is it Possible to Do This with Any Ease and Grace?

Process

Beautiful One, it is again The Consistency, to Experience Beauty of The Higher Realms of Your Aura, You Again Must Recall You are Going to Go Through Many Layers of Self. To Go Through The Layers of Self One Must Always Be Prepared for Transformation. That Beautiful Turbulence Will Guide You Through the States of Purification, where You Can Indeed FEEL The Higher Vibrations, Your Body Must Be Prepared for It! That Preparation is What You Do on Your Daily Basis to Feed it The Vibrations of Foods That Nurture It, and Bring It to Its Strength to What You Call the Working of The Body. You Term That The Exercise of The

Body, Do You Not? That is The First Order, it Must Be Able to With Stand That Pulsing Light.

You Continue Your Work Meaning, Continue Your Ability to Expand Through Your Aura. The First Layer is The Body, Second Layer is That of The Emotional Body, Third Layer is That of The Mental Body. Then You Move to a Layer of Yourself That is Here First, Astral of The Body, then Again You Do More Expansion, You Come to The Higher Level of Emotional, The Higher Level Next of The Mental. Then as You Continue Your Expansion You Would Move to What is Called The Divine Plan. It is Centered Within Your Aura and that Vibration and Pulsation Light Frequency is Moving Back and Through The Consciousness of Matter and Finally Beautiful One, You'll Allow Yourself to Expand to Yet Another Layer, The Beautiful Aura That You Can Call The Holy Spirit The Divine Purity. Then This is Your Aim, Let This Light Pulsate, Vibrate and Merge With All The Subtle Bodies of Consciousness That You are.

We Say to You, Take Your Time, Allow Yourself The Exploration of Each of These Layers of You. As You Reach The Higher Levels of the Emotional Body Consciousness You Will Also Release The Greater Sound of The Soul Voice, The Creative Powers Beyond What You Call Your Human Endeavor. When You Reach The Vibration of The Higher

Mental of Your Auric Field You are Indeed Reaching Divine Mind. When You Reach The Vibrations of The Divine Plan You Easily Realize Why You are Here on Planet Earth, What Your Soul Intentions are, What The Intentions of The Divine Within You are and When You Reach That Higher Spiritual Vibration of You, Parts of The Time of Your living You Will FEEL as Though You Disappear to Nothing, Be Not Afraid. It is The Purification of the Lower Ego.

It Seems so Magical Beloved Malachi.

It FEELS Magical to The Human Being.

Yes it Does, I AM so Thankful for All that You Share with Me Beloved Malachi!
