

Part 2- New Earth

Section 1

1. Moving From The Old Paradigm to The New Paradigm

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in moving from The Old Paradigm of External Fear, Control, Survival and Competition to The New Paradigm of Self Knowledge, Cosmic Love, Mastery and Collaboration?

Beautiful One, that which You Want to Learn, have You Not Tried to Get Rid of that Before?

I AM trying!

Well, how Do You Move Forward and Move Into Self Knowledge? Well More and More You Need to Pay Attention to The Inner Self. Go Deeper Not Simply the Light of Emotions of that which take place Every Day as an Earthly Being but the Deeper Place Within You, that You FEEL The Sacred, that You FEEL Your Ego Go, to Higher and Your Higher Consciousness Moves Forward. So You Will Say Each Time, You FEEL Discombobulated, I Pause, I Pause and I and Enter that Inner State of My Humbling Ego that is Higher Consciousness that is Missing Its Truth. Its Love!

Do I Tuck Myself Into My Second Chakra or My Heart Chakra?

Here First We Would Say, Tuck Into The Heart Chakra, Then Merge with With Your Second Chakra.

Thank You Very Much Beloved Malachi!

- **Connecting With The Living Heart of Mother Earth and Connecting With Her Ascension Frequencies**

Can You Assist Me in Experiencing and Immersing My Intuitive Connection to The Heart of The Living Consciousness of Earth, The Mother of Creation. Then can You Assist Me to Resonate With Her Ascension Frequencies, See Through Her Eyes and **FEEL** Through Her Heart?

Alright Beautiful One, We Will Encourage that You First Move Within, where The Ego Becomes Humble. Now Next You are Going to Do this, FEEL The Mother of All Creations, FEEL The Heart of This Great Mother, FEEL The Heartbeat Within Your Living Earth. Let Us Have You Have a Recognition that of The Divine, Its Light, Its Fire, Its Brilliance is Contained Within The Deep Earth. Yes Beautiful One, it is Wrapped in Your Soul and Your Soul Has Wrapped it Into Your Human Body.

Now We Will Invite You Into Your Second Chakra and Remind You of a Sacred Knowing. That Light is as Though a Banked Fire Within You, is The Individualization of The Holy Spirit and You are asked to Invite The Light. Remind Yourself it is Your Will Power and Remind Yourself that Oxygen Ignites Fire and to Breath to that Banked Fire and FEEL Your Sacred Breath. Give Rise to this Ascension of this Consciousness Within You.

How Do You FEEL When You Do This?

Wonderful, I have bought some Grass to Stand on and I Want to Connect With The Different Dimensions Through Connecting With The Heart of Mother Earth, is that a Wise Thing to Do?

Indeed, Indeed.

I Will Combine All These Things with what I Have Gathered to Communicate With The Living Heart of Mother Earth. So I can Try to Awaken Myself to Have More of a Connection with All The Dimensions Through The Heart of The Mother Earth.

Indeed, as We Shared Beautiful One, The Earth Wants You to Be a Container of The Holy Spirit, to Live The Matter of All Dimensions that are Already Within You.

It is Exciting, isn't it?

Indeed, Indeed!

It is Exciting to Me for Sure, My Intent is to Practice Every Morning and Put My Bare Feet on The Grass and Meditate, Communicate and Connect With The Heart of Mother Earth and All The Dimensions and Listen to Their Messages.

Very Good and You Will Find That It Vivifies You!

Thank You Very Much Beloved Malachi!
