Section 1

11. Re-Claiming The Powers to Heal and Remember That Embedded Within The Symptoms is The Realization of The Cure

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Re-Claiming My Powers to Heal and Assist Me in Being able to Consciously Remember and Recognize that Embedded Within The Symptoms is The Realization of The Cure?

Beautiful One, We Shall Say Through Meditation. We Shall Say Unto You Remember, That What We Have Shared as We Have Called it, The Encasement of The Holy Spirit, That is Within You. The Encasement in Your Soul Carries All Your Memories, Memories of Your Existence Before You Were a Soul. That Means it Carries All The Healing Vibrations, All of The Knowledge, All The Reasons That Humans in Body, Mind and or Emotions Become a Disturbance and Benefits of the Disturbance and Their Healing Power. You Have learned Over Your Existence Here That Many Times Some Illness is Simply an Illness, The Mind Separated from The Spirit, a Disjointedness With the Emotions Created from The Spirit. You also are Learning Beautiful One, Many Times After Which You Have a Look Upon This Discombobulated Mental, Emotional and or Physical, You Look at The Soul and its Desire to Make Such a Journey to See it as Part of the Blessing of Life, Not The Curse.

Oh, to Look at Sickness as a Blessing is Not a Easy Thing to Do!

Indeed, and Yet When You Do, You Begin to Heal!

Oh, so Maybe The Secret is to Ask Spirit to Help You See it as a Blessing!

Indeed.

Thank You Very Much Beloved Malachi!
