4. EMPATHS That Represent Fifth Dimensional Consciousness on Planet Earth and Setting The Fifth Dimensional Consciousness Into The Third Dimensional Consciousness, Into The Third Dimensional Matrix and Connecting The Empaths With The Heart of Mother Earth Who Will Guide and Link The Empaths With The Fifth Dimensional Nervous System

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Am I an EMPATH That Represents Fifth Dimensional Consciousness on Planet Earth That can Channel The Heart and Soul of The Mother Creation and Do I have a Contract to Become Enlightened Now.

We Shall Do it Again, Before You Entered into This Beautiful Realm as Your Consciousness Slowly Evolved to a Higher Wisdom, You Would Live it and Share it With Earth and Walk in The Path of the Divine. I Shall Be Sensitive, That is Called an Empath, Understand?

Yes, I AM That!

All Through Your Life You Have Felt The Overwhelm of the Energies of Others, Have you Not?

Yes I Have!

Once You Have Awakened The Intention to Use The Sacred Mysteries of the Impacted Doorway, It Became Wide Open Again. Now, How Do You Use it, Well Beautiful One, Again and Again We Speak One Must Use The Power to

move Beyond The Cognitive Mind and enter into The Deepest Resources of Your Unconscious Mind, That Becomes Conscious in Meditation. You Know That.

Yes Go Within, Within, Within!

Indeed.

Thank You Very Much Beloved Malachi!

- **Setting The Fifth Dimensional Consciousness Into The Third Dimensional Consciousness Into The Third Dimensional Matrix**

Can You Assist Me in Setting the Fifth Dimensional Consciousness Into The Life Matrix of The Third Dimension? How Do I Do That?

Why are You Asking? It is Already So!

Oh, It is, How Do I Connect With it Then?

Beautiful One, Again We Will Say, You Want to Work With These Dimensions in a Cognitive State of Yourself. The Intuitive Allows FEELING it and then You Have the Power to Know it!

Oh, I Just Got It! Just Keep Doing What **I AM** Doing!

It is Indeed, Very Good, Very Good.

Thank You Very Much Beloved Malachi!

- **Connecting The Empaths With The Heart of Mother Earth Who Will Guide and Link The Empaths With The Fifth Dimensional Nervous System**

Can You Assist Me in Connecting With The Heart of The Mother Who Guides Empaths on Their Journey to Grow into Their Nervous Systems and Learn to Live in Peace, as They are Linked With The Heart of The Mother Through Their Fifth Dimensional Nervous Systems. How Do I Do That? It Sounds Like Something That Would Be Very Helpful.

Once Again Beautiful One, This Again is Your Practice, Practice to Meet The Heart of the Divine.

Then I Should Go Stand on The Grass and Meditate!

Indeed, Indeed, and to Practice With Great Reverence!

Yes, Because My Intent is so Pure, I Wonder if **I AM** Able to Ask, Since Mary Morris and I are on Similar Pathways, Does She Need to Ask You These Things, It **FEELS** Like She is an Empath Also. Is That Truth or None of My Business?

It is The Truth Beautiful One, and it is Her Empowered State That Can Bring it all Forward.

Okay, She Gave Me Permission to Ask You but I Did Not Want to Interfere With Her Asking You Personally, But I Will Share Everything With Her. She Always Corrects All the Messages Before They are Put on The Website. She is The Only One I Can Share These Things With Because We are on Similar Pathways.

Each Time You are Sharing With Each Other You Stimulate Your Memories.

Oh, How Wonderful! I Will Be Sure to Tell Her That. I Hope That in This Lifetime **I AM** Asking That **I AM** Able to Connect With More People That are Doing What **I AM** Doing, Is That Possible? How Do I Get to Know one's of Like Mind, so I Can at Least Share The Wisdom and The Light. Wouldn't it be The More We Gather Together, that We Spread More Light?

Indeed.

How Do I Create That?

As You are in Your Meditations, You Will Allow Yourself to Then FEEL That You are Radiating Light to Those of Like Mind, and You Might Send Them a Invitation to Connect With you!

Perfect, Thank You Very Much Beloved Malachi!
