6. Manifesting Light Codes and Light Particles For New Galactic Energy Patterns Encoded Within Us

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me in Manifesting Light Codes and Light Particles that are Re-Creating, Up-Dating, and Expanding My Physical, Emotional, Mental and Spiritual Bodies for The New Galactic Energy Patterns Encoded Within Me?

We Shall Say Again, Continue The Work of Your Spiritual Intention, Allow This Vibrational Energy to Not Only Be Felt in The Moment But to Be Lived in Your Every Moment! That Means Your Conscious Intention, Your Conscious Awareness, Recognizing and Stopping Periodically and Recognizing, That All of This Energy is already Within You. You are Letting The Particles Vibrate Throughout All Levels of Yourself. Allow Yourself to Pause to FEEL it, to FEEL it Spiritually, to FEEL it in Your Emotions, In Your Mind, in Your Body, and in Your Ego, to Allow Yourself to FEEL it. The More and More That You FEEL it, the More and More it Remains in Your Cognitive Consciousness!

Very Good, Very Good, **I AM** so Thankful for You Beloved Malachi!
