Oh! I AM Glad I Do Not Want To Go. Thank You for That, It Gave Me Peace of Mind Because I Have Been so Sick for so Long. I Have Not Been Well for Nine Months and I AM Not Springing Back!

Can You Tell Me What Is Happening To Me and How Will All These Changes, Change My Life?

**Beautiful One, You Are Going To Add a Re-Balance To Your Physical, That Is Very Necessary When The Essence of Spirit Is Living In Matter, You Have To Re-Balance so You Can FEEL Vitality! Now Be At Peace, Which Means To Be Calm and Not Try to Take Big Leaps. Just Let Your Body Heal and Re-Unify With The Spirit, The Memory of Who You Truly Are! Continue To Realize You Are Not FEELING The Pure Space You Desire to FEEL, But You Can, But Worry Will Not Let You!**

Oh, I Need to Do a Special Healing to Release All My Worries!

I Love You, That Is All My Questions. I Appreciate All Your Time. I Was Hurrying Because I Had so Many Questions, but I Did Not Want To Go Over an Hour.
