4. Process To Communicate With My Enlightened Teachers of The Council of Light

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me In Communicating with My Enlightened Teachers of The Council of Light? How Many are There and What are Their Names and Where Do They Come From?

Process

Again Beautiful One, We Will Ask You To Take a Deep Breath, FEEL Yourself and That Expanded Heart! What You Call The Council of Light Are Indeed Beings of Consciousness, That are What You May Call Guardians To Help Your Souls In This Impacted Earth Plane Remember. To Remember Who They are, What They are. They Do Reside In Different Planes or Dimensions of Consciousness. Be Sure To Ask How To Move Through The Dimensions In Order To Know Them, FEEL Them When You are Doing That Beautiful One, We Say To You, Center Into Yourself, FEEL The Greatness of The Divine Love and To Realize That This Council of Light Is Spirit of Consciousness. So Your First Impression, May Be Frequencies of Light, Circles of Light, Streams of Light, Vibrations of Light. Most Often It Would Be Seen First In Your Inner Eye, First Bright Light, Then The Prism Does Release What You Would Call Indications of Other Colorations of Violets, Pinks and Yellow, with Maroon. The Beautiful Colors That You Will Call Frequency Colors. That Is What You Are Going To See With Your Council!

How Wonderful, and I Do Not Need to Connect with Them again? I just Go Within Meditation and Ask?

Indeed, When You are Allowing Yourself To Sense Their Vibrations of Light and You Begin To See, What We Will Call Different Degrees of Light! Let's Say

You Are Watching The Violet or You Are Watching The Beautiful Softed Pink or You're In Another Coloration When You Sense The Coloration, That Is The Time To Say, Thank You I AM With a Master of The Council!

Do Not Ask Them for Their Name, It Is Not Important?

It Is Not Important. It Is Their Information, and Their Wisdom That Is Important. Do Not Worry About a Name!

Thank You Very Much, My Beloved Malachi! —
