- **How To Connect With and Retrieve Sacred History From Your Akashic Records**

Can You Assist Me In Connecting and Accessing The Earths Seed Atom Record Keepers, so I Can Manifest The Power Within Them and Then Share It With Others?

**Most Beautiful One, You Have Just Declared That You Do Not Have This Knowledge Within You!**

Oh, Can You Just Tell Me Where Within Me I Can Find It?

**Laughter.... Indeed**

So, I Need To Go To That Area and Meditate and Ask To Connect With Them?

**Indeed.**

I Can Do That!

**So You Do Not Activate Any and The Beautiful Record Keeper, Is Within You.**

Oh, I AM Not Seeking Someone Else, Just Like Here on Earth. I Need To Connect Within Myself. Is There a Record Keeper at The Doorway or What Do I Need To Know To Get Into The Records?

**Well again Beautiful One, What Is Occurring Here? It Is The Greater Truth of The Mysteries You Are Trying To Know. It Is Important To Realize That The Doorway of The Master Record Keepers Are Within You! It Is You, It Is Part of Your Soul That Has Had Many Journeys. All Your Humanity, Your Human Beings Who Want To Find Ancient Ones That Are Truly Yourselves, Look Within!**

**This Is Why We Tell You All, Live Intentionally and Discover Your Higher Nature and You Will Discover It All.**

So How Do We Discover Our Highest Nature? By Telling Myself To Go Where You Told Me To Go?

**Indeed, Indeed. You Simply Recall This Power Is You, You Call It Within You, You Want To Draw It From Within To Live It in Your Outer Regions of Matter, Your Past Realities.**

Okay, so I Want to Go In and Retrieve Wisdom Out of My Akashic Records, The Wisdom for Healing and All Kinds of Knowledge That Is In There! What Is The Best Way for All of Us To Do That, For The Highest Good For All?

**Well Beautiful One, Again You Will Discover Your True Nature of Your Spirit, Here Consider This Within You, In The Region of Your Inner Placement of Light and as You Allow Yourself To Take What We Call The Image of Your Personality To What We Call, The Brilliant Light. You Will Say To This Beautiful Light " Teach Me."**

The Secret Is, The Brilliant Light Is Me!

**Indeed, Indeed!**

Okay, so Will That Be after We Have Raised Our Vibrations, that We Will Be Able to Access This For All of Us, To Ask to Go Into the Akashic Records and I AM

Eager To Learn How to Heal Like Lord Jesus Did, so I Just Ask To Go In and Meditate and Download and Absorb It and Do It?

**Indeed.**

Okay, if I Wanted To Go Into The Akashic Records, Is there a Way To Go In and Find Out What All The Ancient Alien Activities Are and Learn About The Masters That are Coming, in That are Positive Minded. Is There a Way To Go Into The Akashic Records and Find Creator Truth, and How Do We Reconnect? Is What Is Happening To Me In My Downloading Processes a Way To Bring In The Positive ET Connections? I Was Hoping That Would Somehow Be a Way To Help People See That The ET's are Here To Help Us, Not Destroy Us?

**Beautiful One, as You Are Learning, as You Are Training Yourself About This Wisdom Will You Do The Same With Others!**

Yes I Will, Yes I Will!

**You Must Say To Them, What We Are Telling You, To Go Within That Great Light Within You, To The Records of All Time, The Records of All Humanity, The Records of All Consciousness Is Indeed There!**

**Now Beautiful One, The Human Mind Always Desires Assistance, and You Configure Part of This Self. We Are Asking You To See As The Pure Divine, Another Is ARCHANGEL TZAPHKIEL, That He Is The Consciousness of The Universe, Who Holds The Book of All Life, Holds The Book of All Healing!**

So That Would Be a Good Connection To Help All of Us To Go In The Right Direction!

**Indeed.**

Thank You Very Much, My Beloved Malachi!

- **Retrieving a Vast Memory Bank of Universal Information From You DNA**

## **Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"**

Can You Assist Me In Retrieving From The Essence of My Soul, My DNA and My God-Self, The Vast Memory Bank of Universal Information and History That My Soul Family and I Have Experienced and Has Been Sealed Into My Memory Storehouse? Is That What You Were Just Talking About?

**Indeed, Indeed.**

How Exciting, Do You Know How often that Happens To Me? That I get the One Question and They All Piggyback on Each Other.

**Yes, They Do.**

Laughter, Okay, Okay, I Do Get My Questions From Many Different Things I Read. I Guess It Might Be Spirit Helping Me Go In The Right Direction. Should I Just Go Back To What You Have Already Told Me?

**Indeed Beautiful Being.**

And There Is No Other Way in Asking, Other than Asking My Soul Self to Help Me Retrieve It, The God Self?

**What Is Your Focus as The Person, as The Personality That Is Taking The Intention of Consciousness, With That You Are Asking Questions. With That Intention Full of Light and FEELINGS That The Soul Can Respond To You. Then What You Must Do, Well You Must Accept What Is Being Given By The Voice of Your Soul!**

I Got It! If You Are Asking about Yourself You are Not Interfering with Anybody Else's Life, Right!

**That Is Correct!**

Thank You Very Much, My Beloved Malachi!
