

Part 2 - New Earth

Section 1

1. The 2018 September Equinox and The December Solstice

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

During The September Equinox and The December Solstice In 2018, Will I Be Able To Receive a Re-Awakening of The New 33 Chakra System and Activation of My Crystalline Light Body? How Will That Affect My Life If I Do Not Get Those, and What Happens When I **AM** in My Evolution?

Here as You Have asked, Will It Affect The 33 Chakras, We Shall Say To You Beautiful Being, You Be In Touch With Your Lights Within, Then as You Are Being In Your Sacred Awareness, Be In Your Highest Thinking To Be In Union With The Divine!

Every Day That Is Called For! As You Do That Beautiful One, You Will Awaken Your Awareness of The Isness, That You Are Now Calling The 33 Chakras, as You Experience Positively, as You Stay In Your Awareness.

Thank You I Appreciate that, My Beloved Malachi!
