3. Process In Experiencing Your Love's Template, Core Essence Light Body and Pure Energy Rainbow Gem Vessel and Opening Up Your Super Consciousness Textures, Senses and Qualities

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

- **Process In Experiencing Your Love's Template, Core Essence Light Body**

Can You Assist Me In Experiencing My Love's Template, My Core Essence Light Body and My Pure Energy Rainbow Gem Vessel, While Holding The Hologram of an Entire Theatrical Universe, that Is Re-Birthing, Re-Imprinting, Re-Emerging as Trillions of New Stars and Suns Multi-Light Universes?

Process

Again Beautiful One, Take a Deep Breath.... Again Sense Yourself Within The Beautiful Universe, Along With The Stars, In The Great Galaxy. At The Very Same Moment You Are Leaving The Confines of The Human Body, You Stop It From Constricting You!

Thus In This Field of Theoretical Vibrations, We Ask You To FEEL What You Call The Pulsations of The Greater Heart Field, The Greater Heart Field Is Your Higher Heart, The Universal Heart, Pure Love, Pure Love!

This Is What You Are Calling This Template, It Cares Not If You Are a Human Form or a Non-Human Form, For You Are The Universe! Within That Vibration You Will Sense Rays of Light, Many Frequencies of The Rainbow Vibration. The Core of You Is The Universe, The Core of All Existence, The Template of Love!

That Is Wonderful!

Here It Is What You Call, Daily Unifying In The Human Mind, In The Human Heart, In The Human Emotions, Then The Human Memory Recalls What Is Already Truly Is!

Just Keep Going Over it and Over it Daily!

Indeed.

I Will Do That!

I Appreciate All You Share With Me. Thank You Very Much, My Beloved Malachi!

- **Opening Up Your Super Conscious Textures, Senses and Qualities**

Can You Assist Me In Opening Up My Super Conscious Textures, Senses, and Qualities of Essence, That I Have Not Felt Since I Was In The Angelic Realm?

Beautiful One, Consider What You Have Felt This Day!

That Was Truly Ecstasy and Heavenly!

Heaven For You, For You Have FELT It, Remember What You Have FELT, FEEL It Again and Again!

What a Tremendous Gift!

Thank You Very Much, My Beloved Malachi!
