Section 1

2. Accepting The Challenges of Living As Embodied-Love Inside Your Ascended Light Consciousness

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

What Is The Best Way For Me To Accept The Challenges of Living as Embodied-Love Inside My Ascended Light Consciousness?

**Beautiful One, How Can You Accept It? That Is Very, Very Simple!
Realizing That In This Embodied State, You Are The Love, You Are Divine Love,
You Are The Essence of The Divine In Matter, Celebrate That Reality!**

**Embodiment Is The Pure Essence of The Holy Spirit Individualized That
Which Allows Us To Honor I AM, That I AM!**

That Is Only Us Accepting It, Correct?

**That Is Correct! The Mind Continues To Tell Us It Is Separate From The
Oneness, But It Is Not! It Is The Beautiful Artistry of The Divine Essence
Revealing It's Self In Multiplicity With Oneness!**

Its Wonderful!

Thank You Very Much, My Beloved Malachi!
