5. Experiencing The 3 To 4 New Senses During 2018

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

What Can You Tell Me About The 3 To 4 New Senses We Will Be Experiencing This Year? What Is The Best Way To Work With These New Senses?

Beautiful One, You Are Part of The Human Body Are You Not?

Yes I AM.

Of The Senses of Your Body What Are You The Most Familiar With?

Most of My Senses, I AM Sensitive But I AM Not Sure What To Say To You.

Well, The Sensitive You Are Talking About Is Being Sensitive To Energy.

I Understand Now, I Did Not Know How To Articulate It! I AM Sorry!

That Is Quite Alright!

All of Those Senses Are Being Enhanced, The Sense of Your Spirit Unifying Much More With Your Human Conditioning. Again You Are Shifting Your Humanness Collective Fields Recognizing More and More, You Are The Oneness! You Are One In Which You Appear as Separate Entities, That Sense of Awareness Is In Consciousness Awareness Is Increasing In All Your Awareness In Humanity.

You Call It Your Sensitivity, Others Call It Physic Wisdom, Your Sensitivity or Awareness Are Both Things In Union With Beings of Other Dimensions, Increasing The Senses of Awareness, As The Multiplicity and Oneness Increasing That at Times. You Will Realize That It Is Spiritualized and Other Times You Will Realize I AM Union In Oneness. Other Beings Are Assisting You, You Are Assisting Them, as Spirit of This Earth Plane You Are All Truly One In Their Senses They Call You To Recognize Love. Will You Accept Eternal Love As Yourselves?

But That Is Who We Are Isn't It?

Indeed, You Are The Holy Spirit, Therefore You Must Accept Eternal Love of You, Within You, So FEEL and Be It!

Thank You I Will Accept That Within Me!

Indeed, Indeed.

Thank You Very Much, My Beloved Malachi!
