

Part 2 - New Earth

Section 1

7. Clearing and Healing Your Ego-Desire Body

Beloved Malachi, Katherine Bell Ph.D.D. and "Marrianna"

Can You Assist Me In Clearing and Healing My Ego-Desire Body of All The Persistence In Seeking More Body Sensations and Self-Indulgence and Move It Up Higher In Its Vibration?

Alright Beautiful One, When The Ego and The Human Body Carries a Concept of Separation, Once Again You Are Not The Holy One, or You Are Filled With Diseases of The Mind, Mental or Physical, and of Course We Take That Into The Physical Body All These Things That Do Not Serve It, For It Is Pure Healthiness!

But When You Bring To Your Awareness Your Body, The Human Body Is Indeed a Beautiful Sculpture! Which Is Sculptured By The Divine Consciousness For a Dwelling Place of Self, The Holy Spirit!

Will You Allow Yourself To Contemplate, That All Your Experiences, of One Life After Another, Are Simply The Very Levels You Are Living In Perfect and Divine Order? It Is Here Living In The Matter Field Now That Called You on Your Missions! As You Look Over Your Lives Beautiful One, You Look Over Many Missions and One Was Simply To Learn About Who You Are and Your Mission, Another To Have a Child Together. Everything You Have Done In Your Life, Has Been a Mission, a Mission For The Holy Spirit, To FEEL It, To Think of It, To Touch It, In The Tactile Realities of Humans! To Explore Through The Great Visions of Your Eyes, As They Are Indeed That of Yourselves, That of Your Neighbors, That of Your Great Mountains, and That of Your Great Oceans, All of That! It Is All The Specialness of Living Matter, The Holy Spirit!

When One No Longer Considers The Body Veiled, Considers The Dimensions Veiled, Considers The 3rd Dimension a Separation, Then One Can Truly Find The Blessings of The Human Body, as an Existence of The Holy Spirit and Rejoice and Be It!

Then Diseases of The Body Are Removed, Diseases of The Lower Ego Are Removed, and It Does Not Have To Fix Something and Place It In The Body, In Order To Heal, For Diseases Make You Pay More Attention To The Body, Do They Not?

Yes They Do!

The Body Needs The Attention of The Lovingness of Being, Spirit As Matter, The Joy of FEELING The Body, Not Trying To Stuff It With That Which Alienates It! Indeed, It Is a Learning, Is It Not?

Yes, It Truly Is!

Once Again, We Will Say, "It Has Been To Many Times, To Many Eons of Time, We Shall Say, That Humanity Has Taken on Languages, FEELINGS and Thoughts In Great Separation and Unworthiness, Therefore They Do Not See Spirit In Matter!"

In Time We Will, Right?

Indeed! Indeed!

It Will Happen!

It Will Indeed Happen Beautiful One, and Let Us Give You a Little Giggle, It Is Happening!

Yes, It Truly Is and It Is Exciting, It Is a Slow Process, But It Is Still Exciting!

Indeed!

Thank You Very Much, My Beloved Malachi! __
