Prayer and Affirmations

2. My Sacred Prayer Request to 'IS', The Creator of All That Is

"Marrianna" 11-18-17

I call on My Beloved 'IS', The Creator of All That Is, Who Is My Holy Father and My Holy Mother Who Lives Within My Sacred Heart, To Please Assist Me In Remembering My True I AM Presence.

I AM Seeking Your Guidance To Be Able To See Through Your Eyes, FEEL and Love Through Your Heart and Be Connected With Your Sacred Knowing, Wisdom and Compassion For The Highest Good for All. I AM Asking To Be Reconnected To My Sacred Divine Blueprint of Perfect Health and Vitality and To Be Able To Remember Who and What My Life Was Like Before The Third Dimensional Experience.

I Want To Thank You for Allowing Me To Participate In The Sacred Downloading Processes That The Beloved Prophet Moses, My Master Guide, Created With Beloved Lord Jesus and Beloved Mother Mary's Assistance and All The Masters of Sacred Healing Light who Gathered and Downloaded Their Sacred Healing Gifts For Planet Earth and All The Multitudes. This Was All Done In Response To Your "Sacred Clarion Call" For The Masters of Sacred Healing Light To Come From The Higher Dimensions and Step Forward To Assist The Beautiful Planet Earth and All The Multitudes. So They Would Awaken and Remember Who They Were Before The Third Dimensional Experience and To Be Able To Remember Their Sacred Oneness, So The Planet Earth and All The Multitudes Can Move Into The Fifth Dimension and Higher, and Create The New Golden Age of Peace on Earth.

Then All Humanity Could Move From The Limitations of the Third Dimension To The Total Unlimited Abilities of The Fifth Dimension and Higher. Where There Is No Sickness, No Hunger, No Homelessness, No Wars, No Hatred, No Greed, No Control Over Others, No Political Issues and Only Love, Peace and Harmony For All In The Fifth Dimension and Higher.

I Know It Is Time For a New Golden Age of Peace on Earth To Begin and For All The Multitudes To Be Able To Remember That We Are All The God of Our Being and To Forgive Ourselves and All Others, So We Can Love Ourselves and Be Able To Understand Ourselves and All Others and Experience Peace, Love and Harmony Upon The Planet Earth With All The Multitudes.

I ask, If It Is To The Highest Good For All, That You Assist Us All In Uniting Our Light So All The Light Workers and Star Seeds Who Have Come To Earth at This Time To Create a Brilliant Rainbow Bridge of Light Can Be One Brilliant Light Force. That Would Create a Pathway For Planet Earth and All The Multitudes To Awaken and Move With Ease and Grace Into The Higher Light Frequencies of The Fifth Dimension and Higher, So Everyone Can Experience The New Golden Age of Peace on Earth With More Ease and Grace.

If All of The Efforts of Light Workers and Star Seeds Could Be United We Could Provide a More Powerful Light With All Our Combined Pure Intent and Be In Service To Your Sacred Oneness, What Do You Think?

Please Assist All The Multitudes Who's Souls Give Permission To Awaken and Remember That We Are All The God of our Being. Please Help Us All To Be Able To Forgive Ourselves and To Love Ourselves So We Can Forgive and Love All Others.

Is There Any Way The Light Workers and Star Seeds Could Connect With The Higher Light Energy That The Masters of Sacred Healing Light Have Downloaded Into The Iron Core Crystal Grid and Merge and Unite That Light With The Many Light Workers and Star Seeds, Who Have The Same Focused Intent That I Have? If That Is Something That Would Be To The Highest Good For All and You Approve That, Will You Please Help Us Experience That? Maybe My

Beloved Moses Could Assist Me In Creating a Process I Could Share With The Light Workers and Star Seeds and Then Maybe My Beloved Moses Could Include This In One of Our Sacred Downloading Processes.

Please Guide Me and My Beloved Moses So I can Be of The Greatest Service To You, The Light Workers and Star Seeds, The Planet Earth and All The Multitudes, So We Are Able to Unite as One Brilliant Light Force In Service To Your Divine Holiness, If That Is To The Highest Good For All and What You Want!

I AM Grateful For You Gifting Me In Being Able To Participate In The Sacred Downloading Processes and To Be Able To Reconnect With My Beloved Zim Who Graduated from Earth on 11-1-14. Please Assist Me In Connecting With All The Sacred Wisdom, My Beloved Zim Brought Forth From The Vega Solar System and Downloaded Into The Iron Core Crystal Grid. I AM Just Learning How To Retrieve All This Sacred Wisdom So I Can Share It With All Who Have Ears To Hear.

I AM So Very Thankful For Your Presence In My Life! Please Assist Me In Being All I Can Be While In Service To You, The Light Workers and Star Seeds on Planet Earth and All The Multitudes!

I AM Thankful! I AM Thankful! I AM Thankful!

I AM Barbara "Marrianna" Zimmermann
