"Marrianna's" Pearls of Wisdom

What I Discovered When I Asked To See Through The Eyes of The Divine Creator

"Marrianna" 3-28-18

Years Ago I asked The Divine Creator To Assist Me In Seeing Things Through His Eyes. This Coupled With My Research has Allowed Me To Discover There Is a Better Way To Understand All the Things, I Encountered In This Lifetime!

One was that The Third Dimension was Created as an Experiment, where Humanity Would Be Veiled, so They Could Not Remember That They Are Sacred Beings of Light. That The Third Dimension was Both Polarity and Duality, Meaning Things Are The Opposite of What They Seemed To Be and That We All Chose To Come To Earth To Learn Self Mastery.

I Learned That The Statement In The Bible, "Do Unto Others as You Would Have Them Do Unto You" Was a Way To Tell Humanity, That What You Do To Others, You Will Experience in Your Life, It Is Called Karma. Everybody Is Reflecting What You Need To Clear Within Yourself! All You Have to Do is, Forgive Yourself and All Others For Whatever You Experienced or You Did To Others. Then Forgive Yourself and Forgive Everyone Involved and Ask For Everyone To Be Given New Pictures of Reality. Then Ask That Everyone Be Able To See You Experiences Through Gods Eyes. It's All an Inside Job! There Is No Need To Contact Anyone That Was In Your Traumas and Dramas, You Just Go Inside! Anytime You See on the Street, the TV, in Your Family, that Upsets You and You Have Any Negative Opinions About It, That Is What You Need To Forgive

Yourself For Doing! It's Quick and Simple! The One Who Judges You Is You! For In Gods Eyes Everything Is Just an Experience! He Does Not See Anything as Good or Bad, Right or Wrong. He Sees It as an Opportunity for Your Soul Growth, for When You Forgive Yourself and All Others, You Clear All Your Judgments and Karma about It, For Yourself and All Others, Then You Set Yourself and Them Free! That Is Because You are No Longer Judging Anything and Taking It Personally. It Simply Is Just What It Is!

One Day a Friend of Mine Had Just Found out that One of Her Children Was on Drugs and It Caused Her Great Pain and Disappointment. She Cried While I Held Her and after awhile I got a Message from Spirit for Her. I Told Her, "I Just Got a Message for You, but I Do Not Think You are Going to Want to Hear It." She Said, "Tell Me Anyway." The Message Was, "Just Think How Much He Loves You, To Play The Role He Is Playing So You Can Get it!" It Took Me awhile Before I Realized What The Message Meant. It Is, That Anything We Have Done To Someone Else, We Will Experience! When You Recognize What Is Happening, It Gives You a Very Simple, Quick and Effective Way To Clear Your Traumas and Dramas and Clear Your Karma. We are All Evolving and We Cannot Take Any of Our Traumas and Dramas With Us Into Higher Vibrations. Have You Ever Seen a Hearse With a Luggage Rack?

The Bible also Says, "Ask and You Will Receive", What They are Trying To Tell Us Is, God Gave You Freewill and They Cannot and Will Not Interfere With Your Freewill! But If You Ask For Spirits Assistance They Are There Immediately Giving You Ideas, and Suggestions That You Think Are Yours, but It Is The Help You Have Asked for. We Often Call These Coincidences.

I Once Asked Spirit What Was The Worst Thing Someone Could Do To Another. I Thought Spirit Would Say, To Kill Someone, But That Is Not The Worst Thing, It Is Telling Someone What To Do! Like Being Raised In a Family of Doctors, Lawyers, or Military and You Are Expected To Continue In Their Footsteps, Whether You Want To or Not. Then If You Do That Under Pressure, Major Karma Is Created For Whoever Expected You To Do It, When You Do It Against Your Free Will!

When I First Met My Beloved Zim, My Husband, I Told Him If He Ever Told Me What To Do, Hell Would Freeze Over Before I Would Do it! But If He Asked Me, I Would Do Almost Anything For Him!

Another Thing I Learned About was, Service-To-Self and Service-To-Others. Both Males and Females Can Be Expressing One or The Other Because We Are Living In a Male Dominant Society. Most Men, But Not All, Are In Service-To-Self. Where Most of The Females Are In Service-To-Others! It Is a Designed Program, Mixed With Men Being More Left Brained and More Analytical and Career Minded and The Females are More Right Brained and More Intuitive and Creative Minded. Then We Put The Two Under The Same Roof and What Do You Get? Competition, Control, Ups and Downs and Major Confusion and Disappointments. The Secret Is To Balance The Right and Left Sides of Our Brains So We Can Experience Detached Compassion!

I Did Not Know How To Recognize Someone Who Was In Service-To-Self, Because I AM One of Those In Service-To-Others, So of Course We Want To Help Others. Then Begins Our Lessons, One Is Not Right or Wrong, Better or Worse. It Is All Part of a Plan To Allow Us To Discover Ourselves and Have Detached Compassion, That Can Only Begin When We Forgive Ourselves For Everything We Have Any Negative Reactions To. Once You Learn First To Go Within Yourself and Forgive Yourself, Then You Have Cleared Your Karma, You Then Attract Someone of Like Mindedness. That Dirty, Rotten, Cheating, No Good Person, was Only Reflecting To You What You Did To Someone Else!

One of The Reasons It Is so Hard To Understand This, Is That We Have All Been Told That This Is Our Only Lifetime! Then We Die and That's It! Well That Is Not Creator Truth! We Are All Energy and Energy Simply Transforms Into Something New. It Is Like When Your Car Breaks Down, You Simply Get a New One.

The Hope Is That While We Are On The Planet Earth, We Will Be Able To Forgive Ourselves and All Others and Learn That There Are No Bad Guys In The Movie, Only People Trying To Alert You To What You Have Done To Others, so You Can Forgive Yourself and All Others! Then You Raise Your Conscious

Awareness and Can Move Into The Fifth Dimension With Ease and Grace. Which Is Like The Garden of Eden, Where There Are No Wars, No Sickness, No Homeless, Only Love, Peace and Harmony!

Now When We Die We Go To Heaven Which Is In The Fifth Dimension. But as Humanity Is Awakening, Not Only Planet Earth but All The Galaxies Are Moving Into Higher Conscious Awareness! When We Have All Moved Into The Fifth Dimension and All The Galaxies Have Shifted To The Next Higher Level of Their Awareness, We Will Live In The Fifth Dimension, Then When We Die We Will Move Into Heaven Which Then Will Be In The Six Dimension.

I Think The Secret Is, To Remember To Ask For Spirits Help, Which Means To Ask For Ascended Masters or Lord Jesus or The Heavenly Host, For Assistance but To Be Sure To Always Use Their Complete Spiritual Names. Do Not Call on Just Jesus, because You Will Not Be Connecting With The Lord Jesus, For There are Many People Named Jesus and You Could Receive Negative Guidance!

So, Forgive Yourself and All Others, Treat Everyone Equally, No One Is Better Than The Other At Their Core. Some are Simply Living Out Their Karmas, Send Them Love and Move on To What You Want To Create In Your life!

Just Think How Much You Have Learned From The Good, The Bad, and Ugly In Your Life! When You No Longer Re-Act But Act, You Are Heading For Self Mastery! Because You Have Discovered The Greatest Love You Will Ever Know, It Is The Love of Your Higher Self, Your Oneness With The Great Creator 'Is', The Creator of All that Is, Who Is Total Un-Conditional Love! That Is What We All Came To Earth To Experience.

May Peace Be With You! All My Love and Light!

I AM Your Beloved "Marrianna"
